After the war, he attended MIT and graduated with a Physics major. He has four children, all of whom are college graduates. He worked his whole career for RCA in Lancaster. Dates to Remember, Club & District:

- Dec. 13:** Community Christmas @ R'town fire hall
- Dec. 17:** Deliver Fruit Baskets
- Jan. 9:** Toll Road checks given out @ meeting, Building Fund check to Adamstown Library
- Jan. 23:** Dist. Gov's visit, new member orientation
- Feb. 12:** Church visit, Muddy Creek Lutheran

...a reminder from Lion Bruce:

Each year as part of our Annual Charter Celebration the club attends a service at one of the local Church's in the community. This year we will be attending Muddy Creek Lutheran on Sunday February 12th. Please put this on your calendar and plan to attend. We had a great turnout last year for this event and hope to increase the attendance this year. More details will be given at club meeting in January and future Newsletters.

A new ECL member:

Forrest "Woody" Long was inducted on Nov. 28.

As the year draws to a close we remember the good times & bad, the additions to our families and groups of friends, and the losses, some foreseen, others not. The Glover family, ECL, and the community at large unexpectedly lost a member because of an accident. Phillip Glover was with us too short a time.

from your editor:

The Holiday Exchange Program through EASS is shaping up to be a great success again this year. Although I haven't been kept entirely up-to-date as to who has gotten what for whom, that will sort out (mostly) at the Christmas Party next week. I was reluctant to suggest that we get the bicycles, but again the members' generosity has made a difficult project doable. As of today (Wednesday) I/we have one bike, another offered, and one to buy --- and helmets to order. Delivery is going to be a challenge.
