East Cocalico Lions Honors Student of the Month

Each month, the East Cocalico Lions Club honors a High School student for their achievements and for being one of Cocalico High School's and the community's finest. Each student is presented with a certificate and a monetary gift. Recently, at a club meeting that he and his parents attended, Juan Bermudez was bestowed the honor of Student of the Month by the members of the East Cocalico Lions Club. Juan, who is bilingual and had moved to the United States from Columbia is very active in school activities participating on the Cross Country and Track teams. He is also an active member of the National Honor Society and Student Government. Juan has received many Honors and Awards being selected as Student of the Month for German, Math and Chemistry. He was also honored as one of the school's representatives to the HOBY Leadership Conference. Even though he is very active he believes in

the Lions Clubs motto of "We Serve" by representing the Lions clubs of the Cocalico School Area by serving as a member of the Leo Club, a Lions club service organization within the High School. He also Volunteers by assisting his Church's Youth Group. Juan's future plans include attending College, majoring in Biology and then studying Neurosurgery.

Pictured here is Lion President Forest Troyer congratulating Juan along with his parents, John and Johanna. Awarding a Student of the Month is just one of many ways which the East Cocalico Lions serve the youth of their community. The members of the East Cocalico Lions Club congratulate Juan on this and all his achievements and wish him the best of luck in the future. If you are interested in finding out more about the East Cocalico Lions or would like to join, please call 336-5311 or visit them on the web at www.eastcocalicolions.org.
