The April 23rd regular meeting was held as an open informal social (first annual?) for the benefit of potential new members. ECL members were asked to invite individuals who might be interested but weren't aware of the programs and events that Lions participate in. Lion Bruce gave a brief introduction & history of Lions and ECL's activities, and Lion Dennis introduced recipients of our Toll Road proceeds who briefly told our guests how important ECL is to their organizations. The enthusiasm of attending members and the presentations of the recipients made a favorable impression: ECL will induct as many as eleven(!) new members at the June 11th meeting.

On April 14th ECL again supported the opening of baseball season at the R'town Park. Although creamed-beef-on-fries still hasn't experienced the expected demand, Lion Mark is optimistic that our patrons will discover & like it.
