FAKE GNUS

We Serve

Our camper's last trip to Beacon Lodge?

Medical complications prevented Jody from attending camp last year, and issues with his balance led to a fall while at camp this summer, which in turn resulted in a serious infection. His independent spirit makes it difficult for the staff to always provide 1-on-1 supervision, so the best decision may be that this was the last time for Jody. He'll help ECL find a new sight-impaired camper to sponsor.

...and, no, that luggage isn't all his >>>

Declaration House

The ribbon-cutting/dedication/open house was held on Tuesday, August 27.
It was a larger affair than I anticipated; I believe I was under-dressed.

In addition to the large number of people, supporters & beneficiaries, the media was also well represented — including WGAL and FOX43. My thanks to Rod Redcay, Executive Director, for some of the above photos.
