OLD BUSINESS

At the last Board meeting it was decided to put together a committee to discuss budgeting and what donations to pay

Committee comprised of

- Lion Bruce Carpenter
- Lion Dennis Ensinger
- Lion Charles Holsey
- Lion Carol Maynard
- Lion Raymond Kunkel
- Lion Marie Sipler

The committee meet and look at several factors

Projected Income

- Merchandise Club
- Fish Fries
- Golf Tournament
- Checking Balance as of 3/3/2021

Making Sure that the club have enough in the Treasury for

- International Dues Payable in July
- State Dues Payable in July
- Senior Citizen Dinner (If Held)

Used the 2019-2020 Budget for donation items

Realized that this proposal might change if our projected income does not meet expectations

Items Cut

- N.E. Lion's Service Foundation
- Past President Gift
- President Project
- 1 PA Fellow
 - The Committee thought that it was important to recognize a fellow Lion this year. It has been a hard year but there were many Lions that took us through the year making it possible for us to still serve where we could

Items Reduced

- Cheerleaders
- Scholarships

Everything else stayed as budgeted in year 2019-2020

Total Donations: \$13,959.00

A motion was made and passed to accept the Committee's Purposed Donations

NEW BUSINESS

A Suggestion was made instead of holding a Spring Oyster Dinner that going forward we have 3 or 4 Drive Through Fish Fries during Lent. This will be put on the agenda for the next Board Meeting.

NEWSLETTER April 2021

Message from Hospice & Community Care

At the beginning of 2020, we planned to commemorate the 40th anniversary of Hospice & Community Care. It was supposed to be a year of reflecting on the past and celebrating our positive impact in our community. We could have never imagined how drastically our world would change in a matter of weeks. The wide-ranging implications of COVID-19 were devastating but we had to deal with them and do our best to meet the unique needs of our patients and families facing death and loss. Our dedicated team of physicians, nurses, nurse practitioners, counselors, aides, chaplains and social workers selflessly served more than 600 patients and their families each day during the height of the pandemic. Despite the dangers involved, they were honored to do this very important work.

Our community has a renewed appreciation for the value of life and the importance of time spent with loved ones. These ideals have always been and remain at the heart of Hospice & Community Care's mission. Your generous support will insure that hospice care and grief support services are available to everyone in need, regardless of financial circumstances. We are humbled and deeply appreciative that the East Cocalico Lions Club still thought of Hospice & Community Care during these challenging times. Thank you!
