SECRETARY REPORT

Membership/Orientation/Retention –

Lion Bruce proposed the following Name for Membership

Hannah Lopez

- Lives on Swartzville Road
- 27 years old
- Married
- Occupation: HR Manager
- Very eager and enthused to joined
- When asked Why she wanted to join a Lions Club she said she has been wanting to “Serve” (Her words) for years but because of her job she could not. Since changing jobs she is closer to home and now has the time
- When asked Why East Cocalico she mentioned that she grew in the area and saw what we did with the Food drives and the Egg Hunt, which she participated in, and wants to be a member in a Club that is actively helping the community

A motion was made and approved to accept Hannah Lopez as a member of the East Cocalico Lions Club
Lion Doyne Atkinson will be her sponsor

5 Year Planning Committee –

Next Meeting on October 13 at 7:00 PM via Zoom

Care of Members –

Lion Vernon Boose is back in Keystone Villa, in

the Personal Care Section

A concern was brought up that we need to do a Better Job with the “Care of Members”. There are many of our members we do not hear from or see, and we need to get updates on them. Will put something in the Newsletter about putting together an active Committee together.

Merchandise Club –

The Board Approved the Following Changes to the Merchandise Club

- Each Member will be given 3 Tickets and will be asked that they sell them (Additional tickets are available if needed)
- Eliminate being able to make weekly payments. Ticket sell for one-time payment of \$50.00
- Eliminate, at least for this year, the chance of winning cash back.

Lion John was told to get additional tickets without a Year on them. That way if all the tickets are not sold, they can be used the following year.

He also has businesses that are willing to participate but are not on the ticket. He will give a list to Lion Bruce who will Email it (And to be printed in Newsletter) so all members will have all available businesses.

Toll Road –

We will be conducting the Annual Toll Road. A Signup Form is being developed for people to sign up

Armchair Horse Races -

The vendor that we got the Race Films from went out of Business. Lion John found some other vendors that supplied films, but the cost is about \$200 more. The Board authorized Lion John to continue to plan for a Horse Race even with the increase cost. It would be up to the committee if they think the ticket price should be increased

The Committee along with the Board will decide after the new year if an Armchair Horse Race will be held in 2021.

Food Bank -

Upcoming Food Drives

- Martins: The Baron Stiegel Lions is taking care of
- Ebenazers: Waiting to hear from Ephrata Lions
- Redner's: Waiting to hear from Ephrata Lions
- Weavers: October 23. This is ours. There is a sign-up form on the Club's Web Site.

Christmas Baskets –

The Board thought that we could do this safely. Unfortunately, in house visits will not be possible. Lion Carol was contacted, and she agreed to be in charge again.

LEO Advisory –

Because of Covid 19, Lion Dennis cannot get into the school to attend any Leo Meetings.

As far as he knows, they have not started meeting yet.

Student of the Month –

At the last Board Meeting, Lion Chuck was given approval to continue the Students of the Month. The Board will still invite the Student, if they feel safe to do so, to a Regular meeting where we will present them their monetary gift and certificate. This will also allow us to take pictures for the paper and web site.

Community Halloween Night –

Based on the Chairpersons recommendations, we decided that we could not conduct, for safety reasons, the Community Halloween party as normal

Other possibilities were discussed (Drive thru with giving "Goodie Bags," Drive in Movie). Again, these were dismissed because of not enough time and safety.

The Board still felt that we should be doing something. A suggestion was made that we could give a simple gift to the children in the Reamstown Elementary School. This could be as simple as a Pencil with our Name on it along with a bag of pretzels. Someone will call the school to check if this would be possible.

Community Christmas Party –

Because of Covid 19, for safety sake, we cannot do the Community Christmas Party this year as we have been doing.

Instead of canceling it, The Reamstown Fire Company approached us and thought that together we could do something for the Community at Christmas.

They are suggesting that the children come in one door single file, walk around the room, picking up a bag of gifts and then file out another door where they can wave to Santa.

What is needed is a representative from the club to help plan and organize. The Board is contacting members to see if they are willing to help.

Holiday Exchange Program –

Lion Carl is waiting to hear from Ephrata Area Social Services

Easter Egg Hunt –

At our last Regular Meeting, Lion Phil asked if he needed to order Plastic Eggs for the Egg Hunt

The Board voted and will asked him to go ahead and order eggs but do not get them filled with candy

If we do something for Easter, we can decide how they will be filled. If nothing is done for Easter, the eggs can be used for the following year

Audio, Video & Computer -

The Sound System that was lent to Faith United Church for outdoor worship services has been returned and is in the Fire Company.

Faith United thanks the Club for the use of this equipment.
