ECL members have been spending more time in the Reamstown Park...working! On Saturday Nov. 6:

Reparian stream buffer project got help from the E.C Lions; Lion Phil & Donna Deibler & Lion Paul Keller, and other supporters of the health of the park. They planted Alders, Willows & White oaks to help ease erosion and create a more environmentally friendly area.

For those ECLions who recovered from Toll Road Friday's hypothermia, another park clean-up of the children's playground took place on Saturday Nov. 27.

Lions Pete, Bud, Tim, Carl, Phil & spouse Donna along with elves/munchkins (aka grandkids, in alphabetical order) Chase, Gabby, Haylee, Landon, Lille.

Serious work was accomplished and some fun was had.

Where did Tim take all those leaves?
