from Hospice & Community Care's  
*Horizons* -- Winter 2022:

## Organization Support East Cocalico Lions Club

It was a brisk and windy November day, "which had a few fellow East Cocalico Lions Club members chasing money down the streets," shared Lions Club member Bruce Carpenter. But even Mother Nature could not halt the East Cocalico Lions Club from holding their annual Toll Road Collection which benefits four local organizations, that includes Hospice & Community Care, on "Black" Friday. "Our Lions Club members asked a small toll or donation from all cars, trucks, motorcycles, and buggies that passed through the square in Reamstown," shared Bruce. "Thanks to the generosity of the community and all of the drivers, we received coins, bills, and even checks totaling a record-breaking amount of more than \$5,000." One hundred percent of what was collected, along with a donation from the East Cocalico Lions Club, was divided and distributed evenly between four local nonprofit organizations.

The East Cocalico Lions Club has been supporting Hospice & Community Care since 1998 through its Toll Road event. At that time, there were several Lions Club members or their family members who were being cared for by Hospice & Community Care. "We appreciated the compassionate care that they received from Hospice and felt it would be a great organization to support," commented Bruce.

Hmmm. Does that photo look familiar?
