5 Year Planning Committee –

Next meeting is on Tuesday, June 13th at 7:00 AM

Constitution and Bylaws –

The following Report was made on a Change to be voted on at the International Convention in Boston

- At an International Convention, Currently Each Club is allowed ○ 1 Delegate per 25 members or a major fraction thereof
- The Club would have 3 Delegate capable to vote (Based on 71 members)

- There are Clubs that are taking advantage of the Family Unit option by creating Family units that do not meet the criteria, giving them extra delegates without having to pay the full Dues amount ○ Family Unit is an additional Lion family member living in the same household
- Family Member only has to pay half of International Due

Change to be Voted On

- Family Members will Not Be counted toward a Clubs available Delegate Count
- They will still be able to be a delegate and vote

• How it would affect us

- Currently have 9 family units
- Instead of basing our available delegate count on 71 members
- Would be based on 62 members
- Giving us 2 Delegates instead 3

It was suggested that we start encouraging members to attend State Conventions. Next year the Convention will be in Harrisburg.

We've all experienced changes as the result of COVID: events & social programs ended or had to be modified or lost, supporting companies and organizations altered their procedures and rules. Lions Clubs have had to adapt to continue the mandate **We Serve**.

With the changing circumstances the Food Drive may no longer be conducted at all of the participating stores on the same weekend(s). It may be more difficult to coordinate LC schedules and personnel. We'll rise to the challenge.

Definitely on the plus side: the new supermarket Dutch-Way has joined the program thanks to the efforts of Akron LC.

And Baron Stiegel LC continues their reliable performance at Martin's despite the inconvenience of an architectural face-lift.

Thank you. Danke sehr. Gracias.
