**Help us welcome to the vehicle family a silver Dodge Journey. We like to call it....LION!**

Wondering about this name?!?!? We have an AMAZING story for you...

One of EASS's vehicles is at the end of its life. EASS Volunteer and East Cocalico Lion's Club member, Woody Long, has seen the need from our community for EASS's transportation services. He knew every day one of our vehicles is off the road, that is 7-9 people that are not provided transportation.

So Woody approached PDG Lion Bruce Carpenter and asked what can we do?

Since EASS serves multiple Lions Club organizations geographically, East Cocalico Lions approached Lions District 14-D for help. The solution, the Northeast Pennsylvania Lions Service Foundation 100% covered the expense of the ENTIRE vehicle through a grant program.

When we say support your local Lions Club, we mean it. All of our local Lions Clubs were part of this project and funding. As a small token of EASS's appreciate to the Lions, you will notice not only EASS's information on this vehicle but a reminder to our community to keep supporting our local Lions clubs!!!

We are proud to have "Lion" as part of the EASS vehicle family. #LionsClub #community #stronger
