WE NEED YOU!

This publication is dedicated to Beacon Lodge Camp in an attempt to get the attention of all Pennsylvania Lions focused on the need to raise funds for the continuation of the Camp.

As the cover/page one notes, the Camp may have funds enough to continue until 2027. Attendance at the camp has been very important to many people since its beginning in 1948 and many would like to see it continue to be useful for years to come. Only YOU as a Lion and member of your club can save it. Please plan fundraisers with the Camp earmarked to receive the monies raised. Thank you in advance for forestalling its demise.

From Past International Director Larry Edwards And we continue To Serve, Let's Change the World

Greetings, Lions and Leos,

Happy New Year! By the time you read this it will be 2024. A New Year and a new opportunity to grow your club, district and multiple district while working toward the 1.5 million-member objective. With new members comes innovative ideas for service and more hands to provide that service. Lion Susan and I visited a Past Director and his partner from Indiana over the holidays. We had a great visit and had an opportunity to see what some of the Indiana Lions are doing. As elsewhere, there is so much service being provided. I visited their Lions Eye Bank, Vision First and saw firsthand the work being done providing corneas as needed, as well as the operation of their Kids' Sight projects. It is amazing, wherever you go, Lions are doing some amazing work helping those in need.

As we start looking forward to spring the time is right for all to begin to plan events that will provide the opportunity to bring in new members. Each club should work with their GAT and their District GAT to help plan how to hold membership events. You will be surprised how well this works. Going into January the Multiple District has lost members again. We can all help to turn that negative around. Remember Past President Doug Alexander's saying, "Each one bring one."

With spring also comes our Multiple District Convention in Harrisburg. I am asking that every club try to have a showing during the convention. It is a time for Lions to reconnect, see what others are doing and learn more about serving. If just one member from each club attended, we would have over six hundred Lions there. Wow! That would be impressive.

Please take my encouragement to help to change your communities which will go to helping change the world. Keep in mind all the disasters around the world and within the United States. Consider your personal and club contributions to Lions Clubs International Foundation. Our Foundation is the core of needed support to provide funds for disasters as well as projects that will serve our communities. The Foundation continually needs your support financially to replenish the funds that have been used.

Until the next time we meet at a Lions event, I wish you all the best and keep serving.

PID Larry

Happy
New
Year!

**Lions Clubs International
FOUNDATION**

From Council Chair Linda Zaneski

Hello MD-14 Lions from your State Council Chairperson.

As I travel across the state meeting Lions from every district, I am so proud to hear about all the amazing services they are providing. From global causes to community needs, these Lions are making a difference and helping to change the world!

We had a successful GAT Summit in State College in October where 70 Lions gathered to learn about the GAT structure and the roles and responsibilities of the GMT, GST, and GLT chairpersons. Teams got together to work on SWOT analysis and a plan moving forward to gain new members, strengthen existing membership, complete and report service, and develop a succession plan for new leaders. Thanks to our Guest speakers - PID Pat Vannett, PID Larry Edwards, PID Cindy Gregg, PDG Beth Stevens and the MD-14 GAT team - PDG Cheryl Wilbur, PDG Kerry McKnight, and PDG Bob Roebuck. And a big thank you to all the GAT teams from the Districts who attended. Congrats to District-N who brought a full GAT Team to the Summit.

Remember, my logo for the year shows what the clubs, districts and Multiple-District need to do to change the world. Strong leadership will help attract new members who can do more service and that's what we do - SERVE! As those cogs on the gears turn at the club level, they move the District and Multiple District forward at a much faster pace. And thus... help change the world! Your enthusiasm and fellowship are the grease to make them turn even faster. So, let's all work hard on turning those gears!

I wish you and your families a wonderful holiday season. 😊

Ways to Support PA Lions Beacon Lodge Camp

Beacon Lodge just celebrated 75 years of service to the citizens of Pennsylvania. Over those many years, we have served blind adults and children, and more recently, we have expanded to serve other special needs individuals. Project New Hope for disabled veterans has been in operation for only a few years but is becoming a huge success.

Unfortunately, over the past few years, we have been presented with significant challenges in funding. Our other challenges are staffing, inflation, and the overall cost to keep this camp operational at the level we expect. What we need from all Districts, Lions Clubs, Lions, and Leos is a challenge to increase our funding efforts to help keep this camp open. If we do not follow through with these efforts, Beacon Lodge will cease to be the camp we have grown to love and of which to be proud. **We need your help more now than ever!**

Below, you will find many ways you and your club can support the camp. Please use this list to ensure the PA Lions commitment to Beacon Lodge goes on for many years.

- District Governor's Projects
- 500 Club - \$5.00 per Lions member each year to help defray maintenance costs at the camp
- Beacon Lodge Challenge: \$100+ per club
- Designated/undesignated Camp Sponsorship \$950
- Counselor Sponsorship \$475
- Wish List: products & dollars
- Duck Race "PA Lions Appreciation Day": \$5.00 per duck
- Golf Tournament: Districts: \$1,000, Clubs \$100/hole or \$50/cart, Lions may contribute, businesses contribute
- Special Fund-Raising Projects: Districts & Clubs
- District Work Weekend
- Project New Hope
- Brick Walkway Memorial: clubs \$100 for deceased members
- Carl Shoemaker Fellowship: \$500
- Sponsor a Wounded Warrior & family campership - \$1,200
- Purchase a banner for \$100 to be hung at the camp during the 2024 camping season
- Facebook Birthday Challenge

Hello, Lions Club Presidents!

With the Holiday season upon us, please take just a few minutes to help our PA Lions Beacon Lodge Camp with a special request. We are asking ALL Lions clubs in PA to customize the attached templated letter and then send it to any Veteran Service Organization (VSO) in your club's area. (American Legion, VFWs, etc....)

All you need to do is change the highlighted areas of the letter:

1. Add your name, address, and phone number
2. Add your VSO name and address
3. Add the date of your letter
4. Add your name at the bottom

then....

5. Print, sign in ink, and snail mail it ...OR... hand deliver it if you know the contacts personally. IF all PA Lions clubs do this, we can get veterans to participate in the camp and hopefully get some much-needed monies to help cover the camp operational expenses and repairs. Our PA Lions Beacon Lodge Camp needs us to do this. Please HELP. It would be a nice way to give back and show our Holiday Pride as a Lion. Thanks so much.

Re: PA Lions Beacon Lodge Camp

Dear (their name):

The recognition of the need for a camp for blind people in Pennsylvania was extensively discussed at a meeting of a group of blind people in Philadelphia on November 9, 1947. After several meetings, a corporation was formed in Mifflin County and approved by the Mifflin County Court in 1948 to establish "Vacations for the Blind" camp. In 1953, the name was changed to "Beacon Lodge Camp for the Blind" and in 1994 the name was changed to "PA Lions Beacon Lodge Camp" to reflect the support of the Camp that comes from the Pennsylvania Lions and to indicate that the Camp serves more than just the visually impaired.

PA Beacon Lodge Camp is situated on 583 beautiful acres in the natural woodlands along the Juniata River in Central Pennsylvania, near Mount Union. It is where children and adults with visual, hearing, mental, and physical disabilities gather from all over Pennsylvania and surrounding states for a relaxing and fun vacation.

The Camp is divided into the Adult Camp and the Children's Camp. Project New Hope, the Camp for Veterans and their families was established in 2014. Each Camp is run separately. Campers can participate in fishing, bowling, swimming, wall climbing, zip lining, archery, miniature golf and much more. The Camp emphasizes what the camper can do and not what they cannot do. The Camp, being a non-profit, depends on funding from the Lions of Pennsylvania and other sources for donations.

The **Project New Hope** program offered at the Beacon Lodge Camp is an opportunity for disabled Veterans regardless of branch of service or era in which a Veteran has served, ALL PA disabled Veterans and their immediate families are welcome.

As a Lion in Pennsylvania, I know first-hand the impact this Camp has had on children, adults, and Veterans each year, and I humbly ask for your organization's support in any of the following ways:

1. Help us recruit disabled Veterans and their immediate families to attend one of our five-day summer retreat camps at NO cost. (June 15-19 and August 3-7, 2024)
2. Help Project New Hope with Veteran campers' fees (approximately \$1200 for a family of four)
3. Help the Camp with their wish list of items (attached)
4. Help the Camp with financial assistance for some much-needed repairs

With the ongoing fundraising efforts of Lions across Pennsylvania, PA Beacon Lodge Camp needs your help to keep going. **I ask for your organization's support to assist the PA Beacon Lodge Camp in providing specialized recreation for our disabled Veterans. It is an honor to offer Project New Hope to the elite group of PA disabled men and women who have served our country!**

Thank you for helping us serve!

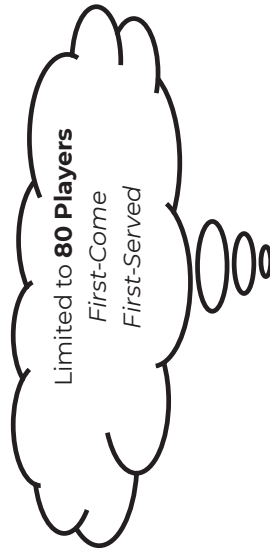

In 1948, Lion Carl Shoemaker helped found Vacations for the Blind, a summer camp designed for adults with vision impairment. Since then, the name was changed to PA Lions Beacon Lodge Camp. The program has also changed to include children and adults with a wide range of disabilities. By providing a sponsorship or joining us at the American Legion Country Club, you will be helping us continue our mission of providing a summer camp experience to our statewide community of Adults and Children living with Special Needs.

From Global Leadership Team Coordinator PDG Kerry McKnight

In November of 2023 I took a couple hours out of my day on a Tuesday morning to review which MD-14 Lions participated in courses in the Lions Learning Center (LLC) and attended local training. I wanted to see the number of Lions that benefited from this available training and which classes were attended the most. It appears that Club officer training has been the most attended classes out of all these sessions.

I saw Club Presidents, Club Vice Presidents, Secretaries, Treasurers and many more officers, have taken their time to further their Lions' knowledge through these free classes.

As of November 14th, 412 MD-14 Lions attended or viewed a combined 56 classes as they furthered their Lions' education. A highlight that was evident that pleased me was to see the number of various classes First and Second Vice District Governors have taken since July 1st. Also, I am amazed by how many of our current District Governors have continued their education by participating in a wide variety of courses in the LLC. This is especially good news that after their two years of MD-14 and LCI training the DGs wanted to know more about leadership.

When you participate in any one of these classes, whether through the Lions Learning Center or when attending a local learning session, you're not just gaining information for yourself, but it's also knowledge you could take back to your Club or District to share with other Lions. Keep up the great work!

The MD-14 "Regional Lions Leadership Institute" (RLLI) is being held March 8-10, 2024 in Harrisburg. The RLLI is only held once a year, so please consider expanding your Lion leadership skills by attending this fantastic special event. Join the hundreds of other MD-14 graduates by contacting me (md14glt-LEARN@yahoo.com) or your District Governor for more details. Classes are filling up fast!

LCIF REPORT

As we near the end of the first half of the Lions year, MD-14 has a long way to go in our donations to LCIF. Our goal is a \$27 per member average, counting individual and club donations. So far, we have only two districts that are above \$10 per member average and only one district is over halfway to meeting its goal. Some of the districts per member average is low, so Vice Area Leader PDG Kerry and I are asking that you put LCIF in the forefront of your districts in newsletters, cabinet meetings, zone meetings, conventions and rallies. It is extremely important that we greatly increase our giving as the needs are great and there is no sign of their diminishing. **This is why we are Lions, to serve others and to help them in their time of need.**

One easy way of fundraising is simply passing the hat at rallies, conventions and even zone meetings, among others. It is surprising how money you can raise that way.

Vice Area Leader PDG Kerry came up with a great fundraising idea in creating a Lions cookbook. District 14-K LCIF Coordinator Debbie Lillegard and District 14-B 1st Vice District Governor Mike Crossley have volunteered to co-chair this project. We encourage you to please support this project, as the proceeds will go toward LCIF, plus you will get some new Lions recipes!

The week of January 8-January 13, 2024, is LCIF week and January 13 is Melvin Jones' birthday. We are asking you to donate to LCIF especially during this time as it also honors Melvin Jones' birthday. Another way of celebrating this week is through a service project.

Please put June 2, 2024, on your calendar for the LCIF Telethon 4.0 which will be held from 11:00 am to 3:00 pm. It will be worthwhile and another great opportunity to donate to LCIF; there will be many inspiring stories as well as entertainment.

Respectfully submitted,

MD-14 LCIF Coordinator,

PDG Evan Punchard

Lions Clubs International
FOUNDATION

Hello Lions, Leos and fellow humanitarians,

As we close 2023, I encourage you to reflect on everything you and your fellow Lions accomplished this year through your acts of service and generosity. Together with funding from our global foundation, Lions worldwide continued to create amazing impact in communities whenever and wherever we were needed. Congratulations on all that you have accomplished.

This month, we highlight a story about how LCIF grant funds helped Nepal rebuild after a devastating earthquake struck in 2015, just as new funding is helping the country recover after another quake struck last month.

As we enter a new year, please continue to be an ambassador for our global foundation and share with fellow Lions, Leos and others around the world how LCIF empowers our humanitarian service. Through LCIF, we can think bigger and implement projects that our individual clubs or districts couldn't do alone. Your [donations to LCIF](#) make this life-changing service possible.

Make a great day,

2024 Annual Pennsylvania Lions Clubs STATE CONVENTION

Thursday May 16th through Sunday May 19th, 2024

Hello, Lions and Leos,

Greetings from Central Pennsylvania and the 2024 State Convention host District 14-T. We have been meeting and planning for many months to provide you with a great convention experience. Enclosed are various items that you should review and share with your clubs, so they are aware of what has been planned for the 101st annual convention of Multiple District 14 – Pennsylvania, in May.

We have created a new convention newsletter this year to provide you with the full details of the convention all in one place. And we are looking forward to Multiple District 14 welcoming Lions Clubs International President Dr. Patti Hill to Pennsylvania and her theme this year, **Changing the World**.

While we have done much of the planning, the one thing we still need is you. Please take some time to review the newsletter, registration form, room reservation instructions, request for raffle baskets, and advertising contract. The new feature this year is the ability to register and pay online through the MD-14 Lions website **palions.org**.

*Please note the various deadlines for convention registration,
room reservations and program booklet advertisements.*

Stop by and see us in February in State College at the third State Council Meeting and watch for 2024 convention information on the state website, in The Pride publication and your District newsletters.

Contact the State Office or me with any questions.

We look forward to seeing you when you “Head to Harrisburg” in May!

Please plan to join us on Friday May 17th for the luncheon featuring **PA Governor Josh Shapiro** as our keynote speaker. We have invited PA Governor Josh Shapiro to join us to talk to us about the importance of service in our PA communities.

Scheduled Speakers

Saturday Luncheon

The Saturday luncheon will feature **Elva Hurst**. She is a “Chalk Talk” artist from Lancaster County whose Lions’ focused presentation is bound to grab your attention. *Together We Serve* is designed to entertain Lions Club gatherings. It has been used at district conventions, charter nights, president’s nights, and other events. This program explores the history of Lions, praises the efforts of service-minded people, and encourages and inspires them to continue in service to their communities. Lions from Central PA have experienced her creative and enjoyable approach to sharing a topic while completing a full chalk art piece. Do not miss it.

Sunday Morning Breakfast

The Sunday morning Melvin Jones Fellows and Key Member breakfast will have **PDG Kerry McKnight** from the New Freedom Lions Club in District 14C as our invited speaker. As an LCIF Constitutional Area Vice Leader and MD 14 Global Leadership Team Coordinator he has a passion for LCIF, Leadership and Membership. His presentations are always enjoyable and informative. We hope you join us.

Featured Seminars

Come to hear about the efforts to grow our membership to 1.5 million members worldwide.

Beacon Lodge Camp Executive Director Jonathan Carver will present updates about the PA Lions Beacon Lodge Camp and its current needs and how you can help.

The **Penbrook Leo Club “15 Years and Growing”**, is a community-based Leo Club in Central PA that will celebrate 15 years of service in 2024. They’ve had recent success with a community garden through LCIF and other grants. Come to hear about their successes and challenges.

There is always something going on at **Leader Dog**. Please join us for updates on the school. There may even be a PA based Leader Dog puppy helping with the presentation.

Convention Service Project

If you have attended a State Council Meeting this year you have heard about the **Jared Box Project** that we will be completing on Saturday morning of the convention. For more than 20 years, Jared Boxes have delivered countless smiles, laughter and hope to children in hospitals across the country. Jared Boxes are a terrific way for any organization to bring the gift of play through toys in a box to young patients as they navigate through their hospital experience. Please stop by Saturday morning to put together a Jared Box.

Tours

There are two guided tours scheduled for Friday morning. One will be with the **Hershey Trolley Works** at a **cost of \$18**. The trolley bus will pick you up at the convention hotel and take you to Hershey, PA for a 75-minute Hershey history tour. Highly knowledgeable and entertaining conductors will take you through the Hershey of today, then jump back all the way to a time before there was a town, or a chocolate factory, or even chocolate in America for that matter. You will then journey through the inspiring life of Milton Hershey, visiting the historical sites of town he created, and tasting the chocolate that made him famous. The tour will end with an exclusive, spectacular view of the Sweetest Place on Earth from the “Welcome to Hershey” Hill. **Make sure to sign up on the registration form or online.**

The second guided tour on Friday morning will be to **Vision Resources of Central PA (VROCP)**. **Vision Resources** is a 100-year-old community benefit organization with a mission to facilitate independence, enrich the quality of life, and empower individuals who are visually impaired or otherwise disabled through prevention, employment, and educational awareness programs. The agency serves Cumberland, Dauphin, Franklin, and Perry counties. **There is no cost for this guided tour.** A bus will pick you up at the convention hotel for a short drive over to VROCP for a tour of the agency. VROCP is unique for a non-profit agency. To support their services, between 80% and 85% of their income is generated by their VR Business Services division through carpet installation, housekeeping, pen production, printing, and PA Driver’s License services. You will leave saying, “I never knew they offered that.” **Although there is no cost, pre-registration is required.**

Self-Guided Tours and Points of Interest in Central PA

Central PA has many attractions and places of interest. You can research online those that may interest you. *Here’s a brief list of some of the most popular:*

PA Civil War Museum PA State Police Museum Antique Automobile Club of America Museum

PA State Capitol The Hershey Story Tanger Outlets Hershey History Center Troeg’s Brewing Company

Hospitality Night

Please come and try your luck Friday Night at the Casino Night at the convention hotel. There will be Blackjack, Craps, Poker, Roulette, and fun for all. Pennsylvania Lions State Convention

May 17-18, 2024

Harrisburg, PA

Dear Band Directors, Lions, Former, and Future Pennsylvania Lions All-State Band Members:

The Lions of Pennsylvania have organized an All-State Band annually to accompany the Lions Delegation to their State and International conventions since 1982. This year, the Lions are organizing a band to perform for the 2024 State Convention to be held May 17-18, 2024 at the Red Lion Inn and Convention Center in Harrisburg, PA. **Dr. Russell McCutcheon**, Director of Bands at the Sunderman Conservatory of Music at Gettysburg College, will again serve as our Musical Director.

Selection is based on past participation in the Lions All-State Band, instrumentation needs, experience on your instrument (beginning with ninth grade, with older students usually selected first), and participation in other musical events including County, District, Region and All-State Bands. Students who are Leos, or whose parents are Lions or recommended by Lions Clubs will also garner consideration.

The state convention, provided at no cost to students, will involve one overnight stay. For your convenience, if enough students participate from certain parts of the state, the Lions will charter a bus to make several stops to bring students to and from the convention. At this time, we plan to have a bus from the Pittsburgh and Scranton areas, if needed.

Applications will be completed online at our website www.palionsband.org.

Students selected for the band will receive notification via e-mail in early April. Remember, the Pennsylvania Lions fund the entirety of the \$20,000 cost for the State Convention Band. Therefore, please check work, school, and other schedules to be sure that if you are accepted you will attend. We aim to provide this opportunity to as many students as possible.

Our uniform consists of a Pennsylvania Lions All-State Band Polo (provided) and white pants and shoes. **You need to bring white pants/trousers, white shoes, white socks, and a music stand with you to the state convention.** We look forward to working with you!

Sincerely,
The Pennsylvania Lions All-State Band Committee

The Jared Box Project

Greetings, fellow Lions and Leos,

The mission of the Jared Box Project is to entertain and put a smile on the faces of children in the hospital. The Jared Box Project was started in 2001. In Pennsylvania there are 122 hospitals that could be served.

The Jared Box Project is promoted and sustained by volunteers. It is a registered 501(c)(3) nonprofit organization.

The Jared Box Project can be provided to a boy or girl in the hospital with the following guidelines for their appropriate age:

<input type="checkbox"/> Boy	<input type="checkbox"/> Infant (0 - 12 months)
<input type="checkbox"/> Girl	<input type="checkbox"/> Toddler (1 - 3)
	<input type="checkbox"/> Preschool (3 - 5)
	<input type="checkbox"/> Elementary (5 - 8)
	<input type="checkbox"/> Tweens & Teens (8 and up)

The articles in the box would be age appropriate for the child.

Since the inception of this project over one million Jared Boxes have been distributed to more than 400 hospitals across the United States.

At this point we do not know what age the child in need these boxes will be intended for, this will be determined closer to the time of our Pennsylvania State Lions Convention here in Harrisburg at the Red Lion Inn.

This will be a state service project conducted by attendees at the State Convention.

Clubs wishing to make a contribution to this project, or individuals wishing to make a contribution to this project can do so at this time. If a Club is making a contribution to this project, please indicate the name of the Lions Club, and if an individual cares to make a contribution, please indicate that you are a member of a Lions club in Pennsylvania.

Please make checks payable to *The Jared Box Project* and mail the check to *The Jared Box Project, 129 Fenwick Drive, Port Matilda, PA 16870*.

It is my wish that all of us as Lions will support this very deserving project.

The **Apollo Area Lions Club, 14-N**, held its eighth Veterans Appreciation Dinner in November. There were approximately 140 veterans and their guests in attendance. The dinner consists of appetizers, a fully catered meal, dessert and door prizes. The dinner is free of charge to all Veterans and one guest in the Apollo area. Funds are provided by local businesses and organizations throughout the Apollo area. Leos from the **Apollo-Ridge Leo Club** help set up the dinner and help with the serving of the meals. The Veterans Honor Guard of Vandergrift present the colors. Each year we have a speaker who has connections to the military. This year Lion Rick Olsen was our guest speaker; he did an outstanding job relating to all the veterans.

This event began as a major project when Lion Colleen Milie was King Lion of the club; a way to honor those who have sacrificed so much. The event has grown significantly over the years and been hosted each year near Veterans Day (except the year of COVID-19). The local veterans look forward to this event each year.

It is an honor for the club to be able to host such an event and it is the hope of the members that the event will be held for many years to come.

OWEN J ROBERTS MIDDLE SCHOOL LEOS

On Monday, October 9, from 3:30 pm-5:30 pm, a small group of Owen J. Roberts Middle School Leos worked in the organic garden at Althouse Arboretum in Pottstown, PA. This initiative supports the work of a local group, GreenAllies. The organic garden is completely organized, managed, and run by high school students in Bucks, Montgomery, and Chester Counties. Proceeds from the garden support local families facing food insecurities as well as food banks and local restaurants that financially support the garden efforts.

The Leos hiked to the garden and then harvested the last of the hot and sweet peppers, pulled plants out for composting, and then planted a crop of garlic for late fall and winter growth. Additionally, the executive director of GreenAllies, Ken Hamilton, educated Leo volunteers on organic gardening, composting, and use of mushroom soil to grow crops. This community service project gave Leos the opportunity to support one of the key priorities of the current Lions Clubs International President, Dr. Patti Hill, creating a greener, cleaner environment.

The Lions of **14-E** were challenged by their **Governor, Amy Thompkins**, to take part in a district-wide book drive to collect new books for the **Child Life Program** at **Hershey Medical Center**. The books collected were given at Christmas to the children who have been diagnosed with cancer and are undergoing treatment at the Center. Books for adults were also collected for the parents and family members as well as former patients as the Center tracks patients through the age of 35 to determine any side effects from treatments during their youth. District 14-E surpassed the original goal and collected 1506 books totaling more than \$8,290.

The Center treats between 400 and 600 children monthly. The books will let them and their families know that Lions care and want to bring a ray of sunshine and hope to their lives as books are a great way to take their minds off their current situation.

The project had 100% participation from the 29 clubs and 700 Lions members in Westmoreland County. Some donations also came from outside the county.

Apollo Area Lions. 14-N. Christmas Bags

For more than 40 years, the **Apollo Area Lions Club, 14-N**, has been giving fruit baskets or bags to the elderly, disabled and shut-ins. This year, the club packed 160 bags that were decorated by Apollo-Ridge elementary students in art teacher Mrs. Busch's classes. Two **Apollo-Ridge Leos** and two young seventh and eighth grade boys, as well as two younger children, helped several Lions fill the bags. For the past several years the fruit has been donated by a local businessman, **Bill Naser**. This is one of our longest and most appreciated projects each year. Erin Rodgers, local representative from the organization, **Sweet Grace Ministries**, was the guest presenter at the December meeting. Visitors to the SGM website (<https://sweetgraceministries.com/about-uss/>) will learn what the organization does to provide a valuable and much needed service. An all-volunteer group, SGM provides a support system when a family experiences a loss of life of little ones due to stillbirth, miscarriage, prenatal death, etc. SGM steps in to offer support, hope, and empathy to help families grieve, cope and endure. SGM, based out of Chambersburg, has grown since its inception serving just Chambersburg, and now provides this type of needed support to maternity departments in 26 hospitals across south-central Pennsylvania. Erin briefly shared her own experiences of loss and how SGM assisted her and her husband, Tim, when they lost twin sons, Wagner and Myer, five months into her pregnancy. The **District 14-E** Lions served another Christmas as Santa's helpers in their annual "Bike a Palooza." Working with the **Toys for Tots** program, seven Lions Clubs volunteered their time and service to unboxing, assembling, inspecting and even test-riding tricycles, bicycles, scooters and hoverboards for local children.

Coordinated by the **Greensburg- East Hempfield Lions**, the Lions and their friends descended on Greensburg with equipment, tools and a hearty helping of Christmas Spirit to make Christmas a reality. Lions from **Youngwood, Mt Pleasant, Delmont, Level Green, Trafford** and **Murrysville** took turns over five days to produce over 150 bikes, trikes, and scooters ready to ride on Christmas morning. Helmets were also included for each bike for safety. The Toys for Tots program, organized and run by the US Marine reserves, has been in operation for over 75 years, ensuring a Merry Christmas for children in the local community. This year, over 2700 children were served and a pride of Lions are on Santa's nice list again.

NO LIQUOR IN RAFFLES!

Liquor not permitted in basket raffles

Please be aware: A popular staple in basket raffles is a “no-no.”

After researching the matter with the Executive Director of the PA House of Representatives' Liquor Committee and the PA Liquor Control Board, MD-14 legal counsel Lion Ashley Grimm reported that “liquor is not permitted to be in a basket for purposes of a raffle. This also includes silent auctions.

“This equates to selling liquor without a license,” Lion Grimm said. “A wine and spirits gift card is permitted to be included in a raffle basket, though.”

Lion Grimm’s research supported the opinion expressed by Lawrence County Treasurer Richard Rapone in a recent New Castle News story that had prompted MD-14 State Council Chair Bill Morgan to contact Lion Grimm.

As part of the News story, Capt. Jamie Jones of the LCB Enforcement Bureau said including any type of alcoholic beverage – be it a six pack of beer, a bottle of wine, a bottle of whiskey or the like – is a violation of the Pennsylvania Liquor Code, Title 47, and is an unclassified misdemeanor offense. The fine upon conviction is \$500, levied to the organization sponsoring the fundraiser and not the donor of the basket.

In the News story, Rapone pointed out, under the state’s small games of chance law, it is illegal to host basket raffles at fundraising dinners used to benefit someone who is sick.

Dear Lions, Lioness, Leos,
and Friends,

The walkway was installed in 2007, and will be updated each year. The walkway, patio, and well area was professionally installed, and is a beautiful addition to Governor's Green. This fundraiser has helped with several major improvements, and it continues to be a wonderful way to show your dedication to Beacon Lodge, and to honor or memorialize those we love and respect.

Once again we thank you for your continued support of the PA Lions Beacon Lodge Camp and programs.

Respectfully,
The Board Members

Orders received by
May 1st of each year
will be installed prior to
